Buckeye Pullers Association

Dear Potential 2011 Sponsor:

We the B.P.A. are starting our sixth season as a non-profit club in the area. With your help we will be able to put on garden tractor pulling events in the area. We will focus on a safe, fun, and friendly atmosphere for the whole family. We want to include the youth, as they are the future of this sport in our community.

With your \$100 sponsorship, you shall receive the following:

- ✓ 18" x 24" sign with your business name, phone number and city posted at each pull
- ✓ The name of your business will be announced multiple times at each pull
- ✓ A year-end Thank you ad in the Good News with all of our sponsors.

Thank you,
Buckeye Pullers Association
